

Potter County Recommendations						
		Voted as County Priority in County Priorities Survey			\$	\$50,000-\$100,000
		Voted as #1 County Priority in Top Priorities Survey			\$\$	\$100,000-\$250,000
					\$\$\$	Over \$250,000
Number	County	2022 Recommendation	Status	Project Priority	Potential Cost	Supports Active Transportation
F1	Potter	Complete the recommendations of the Galeton to Ansonia/Pine Creek Trail Extension Feasibility Study. Identify potential champions or trail groups moving forward.	In progress	Short-term	\$\$	Yes
F2	Potter McKean	Coordinate with the Conservation District to conduct a feasibility study for the Upper Allegheny River Water Trail with consideration for the new/anticipated access points being installed in this area. Seek grant funding if needed to support the study or development.	In progress	Mid-term	\$	
F3	Potter	Coordinate with the Austin Dam Memorial Association to determine the status of the Austin Dam Trail. If no plans exist, work with the Memorial Association to create a plan for trail designation.	Potential	Mid-term	\$	
F4	Potter	Conduct a feasibility study to explore potential options for the Pine Creek Water Trail, including options that address whether or not the dam remains or is removed from this location. Seek grant funding if needed to support the study.	Potential	Mid-term	\$	
F5	Potter Cameron	Create a working group with entities from Potter and Cameron counties to lead a feasibility study for the Sinnemahoning Creek First Fork water trail, including the identification of potential access points. Pursue grant funding as needed to support the study.	Potential	Mid-term	\$	
F6	Potter	Conduct a feasibility study to determine connection potential from Galeton to Wharton via the Switchback Trail in Susquehannock State Forest. Determine whether there is sufficient need and maintenance capacity for converting the trail surface to a multi-use surface. Seek grant funding if needed to support the feasibility study.	In progress	Short-term	\$\$	Yes
F7	Potter	Conduct a feasibility study along the Allegheny River to identify additional water access points along Route 6/Reed Run Road. Pursue grant funding if needed to support the study.	Potential	Mid-term	\$	
F8	Potter	Conduct a feasibility study for the creation of green space, public space, or water access at the site of the former Sheetz in Coudersport. Seek grant funding as needed to support the study.	Potential	Mid-term	\$	
F9	Potter	Add bike amenities (repair stations, parking, etc.) to the rest area along Route 6 outside of Denton Hill State Park, near the entrance to the Lumber Heritage Museum.	Potential	Short-term	\$	Yes
F10	Potter	Seek grant funding if needed to conduct a feasibility study to identify pedestrian and/or bike connections from Coudersport to the Coudersport Area Recreational Park	Potential	Short-term	\$	Yes
F11	Potter	Conduct a feasibility study to identify pedestrian and/or bike connections from Coudersport to Susquehannock State Forest trails. Pursue grant funding if needed to support the study.	Potential	Mid-term	\$	Yes
F12	Potter	Conduct a feasibility study to identify pedestrian and/or bike connections from Port Allegany to Susquehannock State Forest. Pursue grant funding if needed to support the study.	Potential	Mid-term	\$	Yes
F13	Potter	Coordinate with Tioga County for any rails-to-trails or multimodal transportation projects occurring near the Potter-Tioga county line.	Potential	Short-term	\$	Yes
F14	Potter	Coordinate with the Genesee River Wilds to develop off-road trails for the Triple Divide Trail from Galeton to the New York state line. Explore opportunities for a trailhead in Galeton. Seek grant funding as needed to support these efforts.	In progress	Short-term	\$\$	Yes
